

## Trade Spotlight: Frequently Asked Questions

### 1. What is the Trade Spotlight?

The Trade Spotlight is a commodity trading advisory. It's an email based service providing specific trade recommendations based on the GBE trading methodology.

### 2. What is the Greatest Business on Earth (GBE)?

GBE is a company dedicated to the education of futures and options traders by providing quotes and charts, trading strategies, market commentary and educational videos.

### 3. What do I receive with the Trade Spotlight?

You get a precise trading plan from entry to exit. It includes specific entry price, defined stop loss, target and real-time trade management. In addition, you'll see the rationale behind the trade setup, *so you can learn as you trade*.

### 4. Can I trade option contracts following the Trade Spotlight?

Yes, the same trading plan can be adapted to trade option contracts on the underlying futures market. Contact your Daniels Trading broker if you need any assistance setting up the trading plan.

### 5. Which markets does it trade?

The trade advisory covers over 30 futures markets spanning 8 market sectors. It provides diversified trading opportunities in both the financial and physical commodity markets.

## **6. How many trades can I expect?**

There is potentially 0-2 new trade recommendations per week based on the trading methodology and market conditions.

## **7. What can I expect for emails?**

The Trade Spotlight consists of three parts. First, the Trade Setup emails present new trade recommendations. These will be sent out late afternoon or early evening to be acted on in the next session. Second, the Trade Management emails tell you when to tighten stops or take profits. Trade Management emails will normally be sent out in the afternoon, but may occasionally be sent out during the trading day if needed. Lastly, the Weekly Summary email recaps the week's trading activity and is sent out on Friday afternoons.

## **8. How much does this service cost?**

There is no cost for the advisory service and available only to clients of Daniels Trading.

## **9. How do I gain access to the Trade Spotlight?**

Establish an account to receive unlimited access; just contact your Daniels Trading broker to be set up. If you are not yet a client we do offer a free trial.

## **DISCLOSURE**

Past performance is not necessarily indicative of future performance. The risk of loss in trading futures contracts or commodity options can be substantial, and therefore investors should understand the risks involved in taking leveraged positions and must assume responsibility for the risks associated with such investments and for their results.
